

Durham and Community Health Care Foundation Inc. is seeking applications from persons interested in being considered as a

**Board Director or Community Member  
for a Board Committee**

The Foundation raises funds for the Durham Hospital to enhance the health care of our community. DCHCF meets the needs of the Hospital with creative and committed fundraising, strong fiscal management and long-term planning.

The Nominating Committee is recruiting persons with expertise in either fiscal and HR management, policy development or event planning, who have a record of community or non-profit involvement and a passion for local health care.

DCHCF strives to achieve diversity in skills, gender, ethnicity and location to add depth and strength to the Board. Applicants should consider this an opportunity to develop leadership skills and participate in a valuable community initiative.
